Accessing journals, databases and ebooks

Use your Birkbeck username and password to log in to access journals, databases and ebooks. Your username is a combination of letters of your name followed by a number, for example, bpage01.

For most resources, you’ll see the following page:

![Welcome to the Birkbeck Library EZproxy login page](image)

For some resources, you’ll see the following page, make sure that you can see both the OpenAthens and Birkbeck logo before entering your username and password.

![Sign in via your organisation](image)

If you cannot see both the OpenAthens and Birkbeck logo, type Birkbeck in the Find your organisation box and then enter your username and password as described above.
